AGREEMENT/WAIVER

1. I understand that I cannot float under the influence of illegal drugs or alcohol.
2. I understand that I cannot float if I have spray tanned or used a tanning bed within 24 hours.
3. I understand that I cannot float if I have had my hair dyed within 48 hours. It will not hurt your hair, however, the dye could discolor and contaminate the spa water.
4. If I have a history of heart trouble, epilepsy, seizures or blackouts, I have received consent from my physician to use the floatation spa.
5. I agree to abide by the 5-minute mandatory shower rule and understand that I will be asked to shower again if less than that time is taken. Even if I have showered just before arriving, I understand how important it is to obey the 5-minute rule.
6. We provide shampoo and soap for first and second showers. You may only use your personal shampoo, conditioner or soap after floating in your second shower. Contamination of the spa water with any of these products or any bodily fluids will require special cleaning and will be my financial responsibility (up to \$500).
7. I will abide by the 24 hour cancellation rule when rescheduling or canceling appointments, otherwise, I understand that I will be charged the full session price.
8. I am choosing to use the floatation spa of my own free will and agree not to hold the facilities, operators or owners liable for any injury to self or loss of personal items.
9. If getting a massage, I understand that the Licensed Massage Therapists are Independent Contractors and not employees of At Peace Floatation Spa and, therefore, separate entities.

By signing below, I have read, understand and agree to comply with all the rules of At Peace Floatation Spa.
